REMARKS [REDACTED]

## SOURCE

1. There were four tank corps in Yugoslavia in early July 1949. The corps headquarters were located in the following towns:

I Tank Corps: BELGRADE  
 II Tank Corps: SKOPLJE (Y 48/C 17)  
 III Tank Corps: NIS (Y 39/K 25)  
 IV Tank Corps: NOVI SAD (Y 17/X 87)

2. All tank troops from Slovenia and western Croatia had been withdrawn.

**Comment:** 25X1A

a. It is known from several sources of varying reliability rating that the Yugoslav tank force consisted of two tank armies, each comprising about six tank brigades, which were only partially equipped with tanks of various types.

b. It cannot yet be stated whether the four tank corps headquarters have replaced the two tank army headquarters, or whether the corps headquarters were established in addition to the army headquarters.
